Recipients of the pet food bank are eligible to receive pet food from the NKL Pet Food Bank once a month. To receive pet food and/or supplies, recipients must agree to the following terms and conditions of our donation program.

\*I understand that supplemental pet food is provided for my existing family pets only. New pets added after initial registration will NOT receive pet food donations or supplies. (Our program is to help you keep the animals you already have).

\*I understand that the NKL Pet Food Bank is not able to provide donations for community, feral, stray, or cats that go outside at any time.

\*I understand supplemental pet food is not intended to cover 100% of my pets needs and I, as the owner, are responsible for providing fresh water, shelter, and any additional food or medical care that my pet may need.

\*I understand that I am not to use this donation program as a permanent source of pet food.

\*I understand that I may request donations from the NKL Pet Food Bank once a month, to be received on the date they will be open to the public. (typically the 1st Sat of each month, as weather and inventory permits.) \*Supplies and donations are limited and are distributed on a first come first serve bases.
